*SERMON NOTES*  
*Dining with Jesus in a Remote Place*  
*Matthew 14:13-21*

After the death of John the Baptist, Jesus took his disciples with him for some private time away from the crowds. When people from the towns found where they were, thousands flocked to be healed and to hear Jesus preach. As the day ended, Jesus called on his disciples to feed them. How could that be accomplished with only five loaves and two fish?

- ◆ Never underestimate what Jesus can do for a needy world.
- ◆ Never underestimate what Jesus can do with meager resources.
- ◆ Never underestimate what Jesus can do with obedient followers.

On this occasion when Jesus shared a meal with the masses, he taught a valuable lesson about himself. He is the Messiah who abundantly provides for the needs of the people he loves. We can always trust him to provide for us!
